Fostering the third way your DevOps dojo

Tuesday, November 12, 2019　　3:28 PM

Dion Stewart
@dionangelo
1st way optimize inputs and outputs
2nd way increase feedback
3rd way create a culture of learning
Vending machines were a way to share and problem solving in a common area
Start with outcomes then tie practices to the stream
Tacit versus explicit knowledge
How to apply the dojo model
Creating your dojo book
